I had a magical party thanks to The Griffin...

I was provided with plenty of choice and it was a pleasure to plan the party.

All food and drink were from a great selection and excellent quality. Service was friendly and efficent.

Couldn't fault any of the process or the night. Thank you!

I'm so happy with how it turned out and have had so many messages from friends and family about how great the party was, how gorgeous the venue space and food was, how delicious the food was and most importantly how professional and lovely the staff were ... I really couldn't have asked for a better party!!
